PRESIDENT R. W. PURYEAR

This yearbook is dedicated to our distinguished "President," Dr. R. W. Puryear, who has striven untiringly to better our College in the past 10 years. During his ten years as president, Dr. Puryear directed and accomplished the following:

1950: He became the sixth president of Florida Normal and Industrial Memorial College. During the same year, the name was changed to Florida Normal and Industrial Memorial College.

1951: The college became approved by the Florida State Department of Education and accredited by the Southern Association of Colleges and Secondary Schools.

The Florida Baptist Association Scholarship Aid program for needy students initiated.

1952: An Extension Division was organized for the in-service of ministers at Daytona Beach and Jacksonville, and supervision of Extension Divisions at Marianna, River Junction, Fort Lauderdale, and Tampa was also extended.

1953: The college was elected to membership in the Association of American Colleges and in the American Council on Education. Development program initiated.

1955: Florida Normal received grants from the Ford Foundation and a chapter of Alpha Kappa Mu was organized on the campus.

1957: A Trust Agreement with the Florida Baptist Foundation for Endowment Funds was completed. Development program passed \$350,000 mark.

1958: Participation in American Baptist Convention CHEC program. Freshmen admitted to expanded curriculum.

1959: The \$10,000 Danforth Grant was matched and another \$10,000 grant was received to be matched.

A third grant was received from the U. S. Steel Foundation.

1960: Climaxed a decade of dedicated and excellent services as president of this Baptist institution of higher learning with the same vigorous enthusiasm for the future of the college that has become a living symbol of President Puryear's administration at Florida Normal and Industrial Memorial College.

Mr. President, we are grateful to you for your everlasting endeavor to make Florida Normal and Industrial Memorial College what it is today. We extend to you our best wishes for success and happiness in the years to come.

Board of Trustees in session.

Our very **energetic** president is completely aware of his responsibilities and various tasks at all times. He tells and represents "The Florida Normal Story" wherever he goes.

Some of the special activities engaged in by our beloved and capable president during the past ten years are reflected in Pictorial Review found on the next pages as follows: The top photo above shows a very **serious** president in session with the college Board of Trustees . . . (Photo at right) He is a **dynamic** president as he addresses a huge audience during the annual Donation Day Program . . . (Below) A very **solemn** president displays his respects to the founders of the college during the traditional Founder's Day Observation.

Donation Day Program.

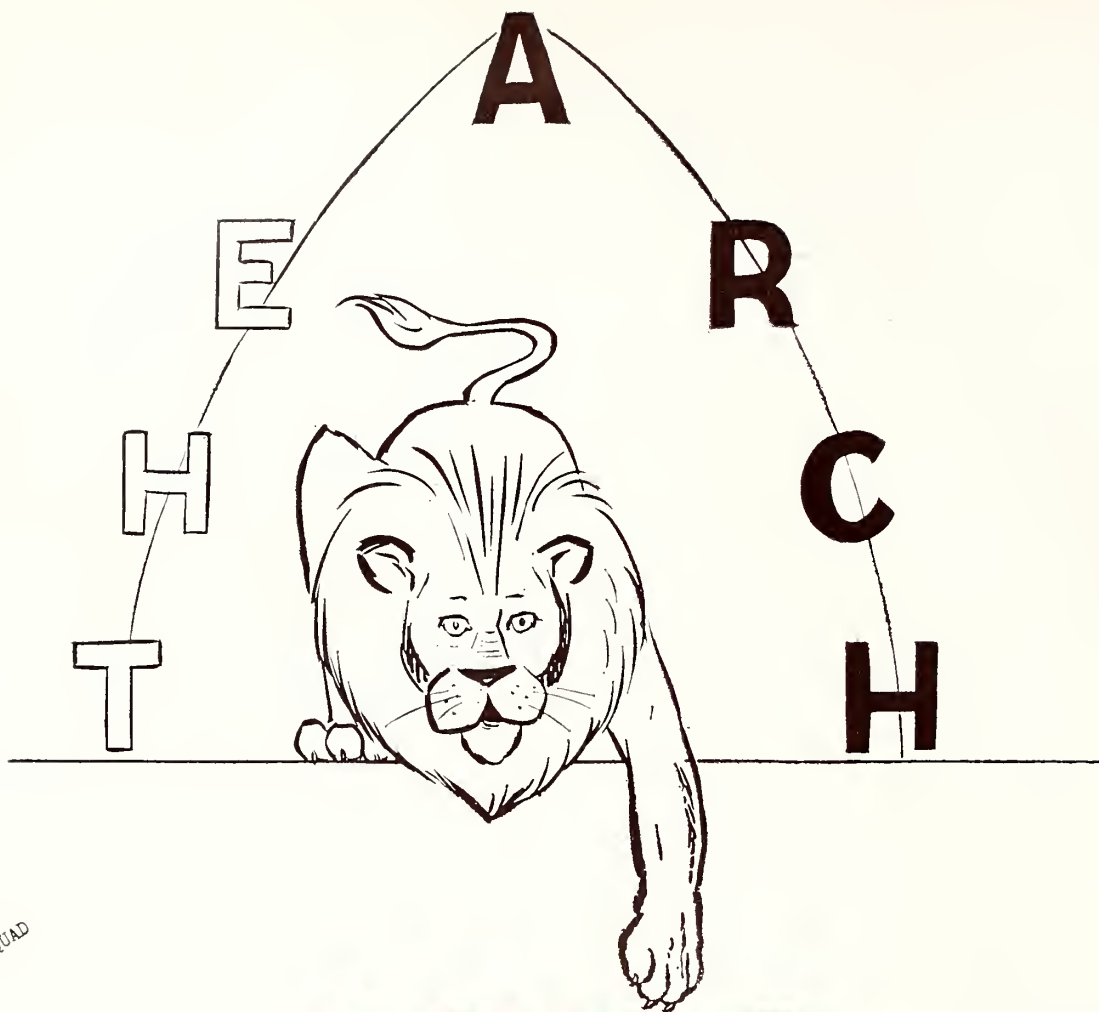

Traditional ceremony at the scene of the founders' graves.

A very **sociable** President and Mrs. Puryear always find time to entertain all freshman students when they arrive and the seniors before their departure, as seen in the picture at the top of the page below. In the other photo we see a very **enthusiastic** president installing officers and advisors for the student NEA . . . Center photos reveal a **relaxed** and **gay** president attending a chapel program and crowning "Miss Florida Normal."

Below we see an **humble** president receiving a special plaque from the Student Council on the first annual R. W. Puryear Day, for meritorious services rendered . . . We also see a **jovial** president during one of the many luncheons given for visiting guests.

EDITOR'S MESSAGE

The 1960 Arch Staff has attempted with unrelenting effort to produce for you the kind of yearbook that would be most representative of the college in its entirety and at the same time reflect your role and interest in the various areas and activities of the college. Moreover, we have exerted great efforts in order to maintain your personal devotion to the college, and to inform the various constituencies, alumni and general public of the work and progress of this Christian institution of higher learning.

The staff has included in this edition pertinent aspects of the college life for the past decade with greater emphasis on the past four years.

The 1960 yearbook staff was indeed very honored to have the responsibility of developing and producing for the college family some of the best years of our lives in the words and pictures, all of which is a sacred part of "The Florida Normal and Industrial Memorial College Story."

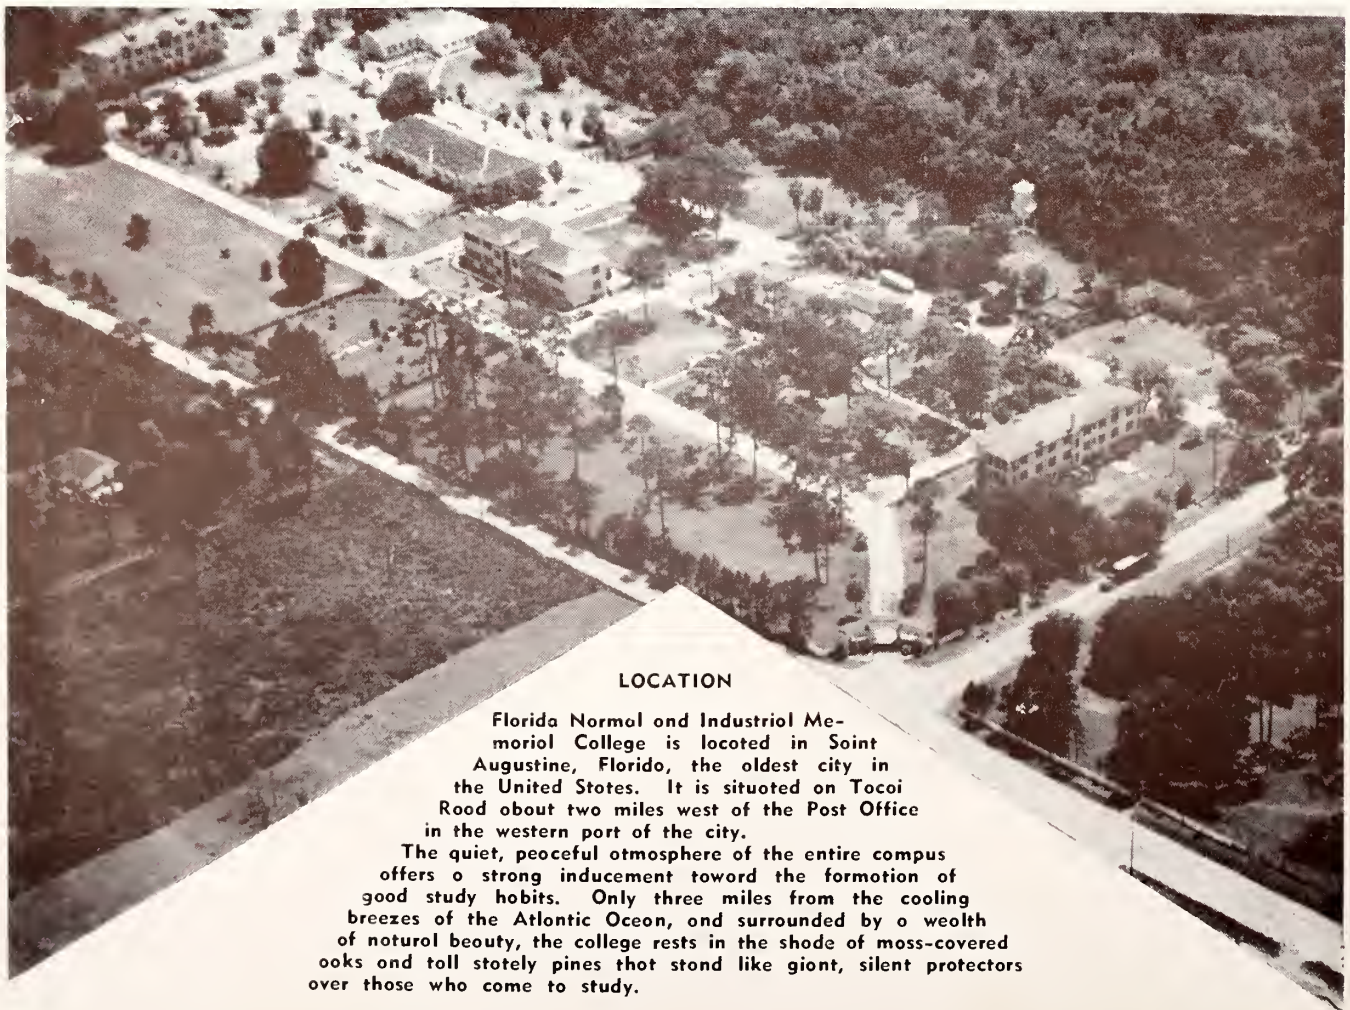

We are very grateful to all of you, and especially you, for all the advice and cooperation and assistance you so willingly gave in order to make this publication possible.

The 1960 Arch will always remain as a living example of a special kind of dedication and unity expressed by the members of the Yearbook and everyone who was a part of this wonderful college family.

Christine Calhoun,
Editor-in-Chief
for the 1960 Arch Staff.

AERIAL VIEW OF CAMPUS

LOCATION

Florida Normal and Industrial Memorial College is located in Saint Augustine, Florida, the oldest city in the United States. It is situated on Toco Road about two miles west of the Post Office in the western part of the city.

The quiet, peaceful atmosphere of the entire campus offers a strong inducement toward the formation of good study habits. Only three miles from the cooling breezes of the Atlantic Ocean, and surrounded by a wealth of natural beauty, the college rests in the shade of moss-covered oaks and tall stately pines that stand like giant, silent protectors over those who come to study.

THE CORONATION

The crowning of Miss Florida Normal
of 1960 by President R. W. Puryear.

"MISS FNIMC" AND COURT !

From left to right, 1st row: Miss Mary Williams, Miss Catherine Herring, Miss Babbie Mervin, Miss Mary Johnson, Miss Rasa Ferguson; 2nd row: Miss Leila Halmes, Miss Faye Easters, Miss Barbie Hart, Miss Viola Edwards, Miss Annie Pearl Griffin, Miss Mary Barnes, Miss Rasa Roberts; 3rd row: Pearlina Quarry, Miss Aleane Miller, Miss Dorothy Crawford, Miss Emma Kelley. "Miss FNIMC": **MISS GRACE JONES** and escorts; Mr. Ray McKay and Mr. Claxton Pitman.

THE GRAND EVENING OF THE CORONATION

Ah! It was the loveliest of the evenings. It was the grandest of the evenings that "never-to-be-forgotten" twenty-third day of November in the year of one thousand nine hundred and fifty-nine. It was like a serene evening in magnificent Wonderland. Alas! A fairy tale came to life. This was a thing of admirable beauty; I was reminded of the sublime words of Sir John Keats: "A thing of beauty is a joy forever: Its loveliness increases; it will never pass into nothingness." That evening of the Coronation will never and can never be eradicated from the minds of those present.

The coronation of "Miss Florida Normal and Industrial Memorial College" was held in the spacious Heckscher Gymnatorium. It was not as beautiful as a King's mansion, but it was beautifully decorated for Our Queen, "Lady Grace." In the center aisle was a lovely white carpet which led to the great "white throne." Multi-colored lights added splendor and beauty; magnificent scented flowers filled the air, and the Queen's attractive throne caught the eye of each spectator. Oh, how lovely the evening!

The coronation commenced at eight o'clock p.m. The spectators entered the gymnatorium and took their respective places among their fellowmen. The audience consisted of young ladies and gentlemen representing each dormitory on campus; the President and First Lady of the college; our most distinguished administrative and faculty staff, and wonderful friends of Florida Normal. Everybody was there!

Now, as the audience sat attentively glancing at the beauty of the scenery, music commenced to dissipate the quietness of the evening. Ah! Tell me what is more pleasant to the ear. Behold! How the adroit fingers of the pianist rolled swiftly across the keys of the musical instrument. The prelude concluded, and silence prevailed once again. Hark! a loud blast of the trumpet sounded as Eddie Taylor trumpeted away on the high-sounding trumpet. The audience watched as the sound died away, and out of nowhere leaped a tiny lad announcing the greatest of the events. "Hear ye! hear ye! Tonight is the coronation of Miss Florida Normal and Industrial Memorial College," heralded Sir Ivan Esquire George.

"War March of the Priests" was being played by the pianist, Mrs. Jackie Summers, and a line of lovely queens and their escorts marched uniformly upward and onward to the royal throne of white symbolizing purity. The various queens approached the throne and stood on either side making way for the Queen of the College. There she stood like a "heavenly angel" arrayed in a beautiful white gown. I cannot discover words which can describe her beauty, charm, and elegance. She exemplified all of the qualities that a Queen ought to possess. Hail the Queen, Miss Grace Jones! She marched slowly and gracefully to her throne; a sincere expression of gratitude on her fair face, and she seemed to say within: "I am honored to be Queen of this outstanding Institution of Learning." She ceased to go further as she approached the first step leading to the throne. This was the climax of the coronation—the crowning of Our Queen by President Puryear. What an honor! What a Queen! She ascended the throne with aid of two efficient, handsome, young men: Sirs C. Marco Pittman and R. McKay. The various queens took their places upon the throne. Lovely Queens, each a queen within her own rights. They were bedecked in gowns of pink, gold, white, red, yellow, and pale blue. The innumerable colors blended marvelously, creating a magnificent sight!

Cornelius Smith sang for the Queen, and Ivan George recited the poem, "How Do I Love Thee?" by Elizabeth B. Browning. A creative dance was performed by the Dance Group under the direction of Miss June Ritter. These concluded the program of the evening.

The various queens descended the throne and walked with a slow pace down the aisle to the rear of the gymnatorium. It was like a grand evening in Wonderland which seemed to disappear as the Queen descended the throne. This greatest of all evenings will last in our memories as days pass into weeks, months, and years. Ah! It was the loveliest of the evenings. That was the evening of Our Lady Jones. Long live the Queen of Florida Normal and Industrial Memorial College! Ah! The evening of the Coronation was the grandest of them all!

INTRAMURAL PROGRAM

The intramural program is directed by the Department of Health and Physical Education, with supervision being given to the activities by a member of that department. The learning possibilities for the physical Education Majors is greatly enhanced since they are allowed to assist in the operation of the program, carrying out such duties as: officiating, setting up rules of eligibility, determining the number of persons to play with each team, etc. The following are activities included in the intramural program here at our school:

Fall

1. Touch Football
2. Volley Ball
3. Ping Pong
4. Basketball
5. Badminton

Spring

1. Basketball (continued)
2. Softball
3. Archery
4. Craket
5. Swimming and Diving
6. Track

In conjunction with the sports listed above, the Physical Education program offers two other extra-curricular activities for the students of the school. Every second-semester Education Department starts preparing for its annual dance decital, and all persons interested in participating, or learning the dance are welcomed. The other outlet is the Saturday afternoon recreation hour, which is held in the Heckscher Gymnotorium every Saturday afternoon from one until three. Here games of a more recreative, and entertaining nature are played, and it is through these various activities that we hope to improve each student and prepare him, or her, for a fuller and more meaningful life in their academic as well as their social and leisure living.

Donation Day

One of the most spectacular events held on campus this year was our annual Donation Day. Hundreds of people came from all over the state of Florida to make this day a great success for the Florida Normal family.

There were many gifts given to Florida Normal by the Baptist women of Florida. Among these were many different varieties of canned goods, rice, sugar, flour, napkins, braams, and many other useful articles. Over six thousand dollars was donated.

We, the student body of Florida Normal, would like to express our sincere gratitude and appreciation to everyone who contributed in making our annual Donation Day successful.

President Puryear is seen in a special pose holding his recently awarded plaque by the student council. Others in the group include visiting guest, council members and the council's advisor.

THE FIRST ANNUAL R. W. PURYEAR DAY

The entire student body and the various campus organizations expressed their sincere appreciations to President R. W. Puryear for the many outstanding services rendered, and the special achievements accomplished in the interest of the college.

Claxton Pittman, vice-president of the Student Council, is seen as he presented a plaque to President Puryear for "Outstanding Achievements" during the formal program held for this purpose in the Anderson Hall.

The president was the guest of honor at a special luncheon held in his honor in the Coleman-Westfall Dining Hall.

OUR PRESIDENT

President,

Here in black and white the freshmen extend
their love for you,

May you always have success in what ever
you do.

You have a pleasing persanality and you act
so swell,

Until the freshmen have learned you, oh! so
well.

For what you have done from day-to-day,
will truly help us on our way.

As we reach out and touch our life we pray,
that once and for ever our knowledge stay.

Oh! Lord God and father, please help president
on his way,

To gain peace of mind from day-to-day.
Help him in everything he say or do,

Some one else may call upon him we never
can tell who.

We, the 1959 and 1960 freshmen class,
have expressed our thoughts of you at last.

RELIGIOUS EMPHASIS WEEK

Speakers during Religious Emphasis Week and members of the Student Christian Union.

The purpose of Religious Emphasis Week at Florida Normal and Industrial Memorial College is that of emphasizing moral and spiritual values, and of reviving the interest of the college community in developing a philosophy of Christian living by creating an atmosphere conducive to better student-teacher relationship based on the Christian principle of oneness in Christ. It helps to broaden the concept of one's relationship to God, and to revitalize Christian living in the college community. Religious Emphasis Week presents an opportunity for the members of the Florida Normal Family to accept Jesus Christ.

The Religious Emphasis Week is sponsored by the Student Christian Union, a delegated assembly representing the following organizations:

Alpha Kappa Alpha	Freshman Class	Sophomore Class
Alpha Kappa Mu	Guidance Committee	Sphinx Club
Alpha Phi Alpha	Intramurals	Sunday School

SCENE INSIDE DINING HALL

Where all kinds of records were made, broken and even disappeared . . . where we enjoyed many hours of joy and fellowship together.

EACH SUNDAY

Each Sunday as we gather to begin our day,
Most of the students have gone a long way.
As we lift our voices to God and pray,
Truly we mean every word we say.

Marching with our heads up I'll tell you why,
"Was to send our souls to God on high."
Singing with an up lifted voice,
Was for him to know we had made our choice.

After marching to our classes we'll speak in time,
That was because no one wanted to be left behind.
Then for a review from each class just to find,
How well we cooperated and kept in line.

We have enjoyed each Sunday here,
Know from God we'll have no fear.
Some thought going they'll end up sad,
Before you know it they had changed to glad.

The Lions Basketball Squad of Florida Normal and Industrial College were the runners-up in the Southeastern Athletic Conference which ended its season on February 17. They were also runners-up in the SEAC Tournament held at Albany State College in Georgia February 20.

The Lions were defeated in the finals of the tournament by the Tigers of Savannah State College, who were the defending champions in the Conference. Head Coach C. R. Cox stated after the tournament that he was very pleased with his cagers squad this season. The Lions ended the season with a respectful 19 wins against 9 defeats. He lauded all of his team and made mention of the outstanding performances of William McDaugald, who was selected for the all-tournament team; Scott Perry, who was selected for the all-tournament team; Alfonso Powell, Miller Williams, Andrew Jones, Johnny Singleton, who gave brilliant performances during the entire season.
